Tall Ships Australia & New Zealand and the New South Wales Branch of the Australia-Britain Society are calling for applications for the 2019 TALL SHIP'S AWARD. This award is sponsored by the Society as part of the Australia Britain Tall Ships Exchange Program delivered in partnership with Tall Ships Australia & New Zealand.

This Award enables a young Australian who is a resident in NSW and has previously sailed in *Young Endeavour* to travel to the United Kingdom to sail in a Tall Ship for a selected voyage to continue their personal development at sea.

The Award, which is made possible by the Australia-Britain Society (NSW Branch) Inc, includes a return airfare to the United Kingdom and a berth aboard an Association of Sail Training Organisations (ASTO) tall ship for a voyage program.

The aim of the Award is to enhance relations between Australia and Britain by enabling the winner to exchange ideas, absorb British culture while at the same time imparting Australian culture and developing lifelong friendships with young Britons during the voyage.

The experiences of sailing on board a tall ship will offer many challenges which will give a great sense of achievement whilst fostering a greater personal understanding of yourself and others.

The Australia-Britain Society is proud to sponsor this opportunity and we look forward to receiving your application. This should be forwarded to:
